All such plans and specifications shall be prepared by an architect or landscape architect or licensed building designer, said person to be employed by the unit owner making application at his sole expense. Plans and resubmittals thereof shall be approved or disapproved within thirty days. Failure of the Board to respond to a submittal or resubmittal of plans within such period shall be deemed to be approval or the plans as submitted or resubmitted. The approval of the plans and specifications may be withheld, not only because of non-compliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by reason of reasonable dissatisfaction of the Board with the location of the structure on the residence, the elevation, color scheme, finish, design, proportions, architecture, shape, height style and appropriateness of the proposed structure or altered structure, the materials used therein, or because of its reasonable dissatisfaction with any or all other matters or things which, in the reasonable judgment of the Board, will render the proposed improvement inharmonious or out of keeping with the general plan of improvement of the property or with the improvements erected on other residences. If, after such plans and specifications have been approved, the improvements are altered, erected or

maintained upon the residence other than as approved by the Board, such alteration, erection and maintenance shall be deemed to have been undertaken without the approval of the Board having been obtained as required by this Declaration. After the expiration of one year from the date of completion of any improvement, said improvement shall, in favor of purchasers and encumbrancers, in good faith and for value, be deemed to comply with all of the provisions hereof, unless a notice of such noncompliance or noncompletion, executed by one or more members of the Board, shall appear of record in the Office of the Recorder, Fairbanks Recording District, or legal proceedings shall have been instituted to enforce compliance with these provisions. The approval of the Board of any plans or specifications submitted for approval as herein specified for use on any residence shall not be deemed to be a waiver by the Board of its right to object to any of the features or elements embodied in such plans and specifications, if or when the same features or elements are embodied in any subsequent plans and specifications submitted for approval as herein provided for use on other residences. No member of the Board shall be liable to any person for his decisions or failure to act in making decisions as a member of said Board. The members of the Board shall receive no compensation for their services performed pursuant to this Declaration. Upon approval of the Board, it shall be conclusively presumed that the location and height of any improvement does not violate the provisions of this Declaration.

(a) The property shall be owned in common by the unit owners;

(b) The undivided interest of the property owned in common which appertains to each of the unit owners shall be the percentage of the undivided interest previously owned by him in the common areas and facilities; and

(c) Mortgages, deeds of trust or liens affecting any of the units shall be transferred in accordance with the existing priorities and attributed to the undivided interest of the unit owner whose condominium was prior to such damage or destruction, affected by the mortgage, deed of trust or lien.

Section 2. APPLICATION OF INSURANCE PROCEEDS

Subject to the provisions of Section 1, and the interests of any holder of a first mortgage, in the event of damage or destruction as the result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration, exclusive, however, of furniture, furnishings, fixtures or equipment installed by unit owners, and the Board of Directors shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any cost of such repair and restoration in excess of the insurance proceeds shall constitute a common expense, and the Board of Directors may assess all unit owners for such deficit as part of the common charges.

Section 3. RIGHT TO PARTITION

The common areas and facilities shall remain undivided, and no unit owner or other person may bring any action for partition or division of any part, unless the property has been removed from the provisions of the Horizontal Property Regimes Act of the State of Alaska; provided however, that nothing in this Declaration limits the right of partition by husband and wife owning a unit as tenants by the entirety or by the owners in common of one or more of the units as to the ownership of a unit or units.

Section 4. SUBDIVISION AND COMBINATION OF UNITS
AND COMMON AREAS AND FACILITIES

Subject to ARTICLE VIII, Section 4, a resolution adopted and signed by a least seventy-five percent of the unit owners may provide for the subdivision or combination, or both, of any unit or units or of the common or limited common areas and facilities, or any parts thereof, and the means for accomplishing such subdivision or a combination.

or both, and any such resolution shall provide, in conjunction therewith, for the appropriate amendments to this Declaration, the Bylaws or any other documents or agreements affected thereby; provided that the space combined or subdivided shall, after such subdivision or combination, have the same percentage of total value that such space had prior to such subdivision or combination unless such percentage of total value is changed by appropriate amendment in accordance with Article X hereof.

Section 5. INTERIOR DAMAGE

Restoration and repair of any damage to the interior of any individual unit shall be made by and at the individual expense of the owner of that unit and, in the event of a determination to rebuild after partial or total destruction, shall be completed as promptly as practical and in a lawful and workmanlike manner.

Section 6. NOTICE TO MORTGAGEE

Any institutional holder of a first mortgage on any unit shall be given written notice of any substantial damage or destruction to a condominium or the common facilities or areas or limited common areas. In any event, notice will be given whenever such damage exceeds \$10,000, or the damage to the individual condominium exceeds \$1,000.

ARTICLE VI

ASSESSMENTS

Section 1. LEVY AND PAYMENT

All unit owners shall pay all common assessments for common expenses and all applicable special assessments and capital improvement assessments imposed by the Board of Directors. The common assessments and applicable capital improvement and special assessments, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of the condominium at the time when the assessment became due. The assessment shall include payments to a general operating reserve fund for replacement as deemed necessary by the Board of Directors. The assessments levied by the Board of Directors shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the condominiums and for the improvement, operation, replacement and maintenance of the project. Not later than thirty days prior to the beginning of each calendar year, the Board of Directors shall estimate the total annual charges to be assessed against each condominium. Written notice of the annual assessments shall be sent to every unit owner subject thereto. Each owner thereof shall thereafter pay to the Association his assessment in installments as established by the Board of Directors. In the event the Board of Directors shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all expenses of the property for any reason, it shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the total charges to be assessed against each condominium. Any further increases in the amount so assessed shall only be effective upon written

consent of two-thirds of the unit owners and their first mortgagees.

Each installment of an assessment shall become delinquent if not paid on or before thirty days from the date upon which it becomes due. All annual common assessments shall be paid according to the percentage of ownership in the common areas as set forth in Exhibit "C." All excess funds remaining in the general operation reserve fund over and above the amounts used for the operation of the project shall be returned to the unit owners in a proportion equal to their individual contributions or may be retained by the Association and applied to the following year's assessments. In the case of a voluntary conveyance of a condominium, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid assessments by the Association against the latter for his share of the common expenses to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Notwithstanding anything contained herein to the contrary, any units owned by the Declarant which are unoccupied shall be assessed at ninety percent of the full common assessment. Assessments shall commence no later than 90 days after conveyance of the first unit in the project, and full assessment on units owned by Declarant which are unoccupied shall commence 120 days thereafter.

From and after the date of recordation of a deed to the first unit owner of an interest in the project, the unit owner shall establish an assessment reserve fund with the Association, which reserve fund shall equal the projected assessments to the unit owner for a two-month period. In addition, the unit owner shall pay to the Association the regular monthly assessment as provided herein, the purpose being to have available at all times for the Association an assessment reserve fund equal to two months of assessments. This assessment reserve fund shall be maintained at all times, as a reserve for taxes and insurance is so maintained, and in the event of a transfer of the unit owner's interest in the project, the purchaser shall be responsible for maintaining this reserve fund in the same manner.

Section 2. DELINQUENCIES

There shall accrue with each delinquent assessment a late charge of Five Dollars, together with interest at the rate of 12% per annum on such delinquent sums, calculated from the date of delinquency to and including the date full payment is received by the Association. In the event of default by any unit owner in the payment of any assessment, the Association shall notify all persons and firms holding a mortgage or deed of trust on the affected condominium.

3. LIENS, ENFORCEMENT

All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on the respective condominium prior and superior to all other liens, except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any mortgage of record made in good faith and for value and recorded prior to the date on which the lien became effective. It shall be the duty of the

Change 190 to 3

* Association to enforce such lien in the manner permitted by law. If a majority of the unit owners approve, the Association may, after giving ten days' advance notice of their intention to do so, sever all utility services to the unit for which assessments are delinquent, and continue such severance until the delinquent assessments are paid in full. During foreclosure proceedings the condominium owner shall be required to pay a reasonable rental for the condominium and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Association shall have the right to bid on the condominium at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the same, and this provision, or any institution of suit to recover a money judgment, shall not constitute an affirmation of the adequacy of money damages. Any recovery resulting from a suit in law or equity initiated pursuant to this section shall include reasonable attorneys' fees as fixed by the court.

ARTICLE VII

THE ASSOCIATION

Section 1. FORMATION AND MEMBERSHIP

The Association's name will be SUN WEST ESTATES CONDOMINIUMS. Every unit owner who is subject to assessment shall automatically, upon becoming the owner of a condominium, be a member of the Association and shall remain a member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. A person shall be deemed an owner of a condominium only upon recordation of a deed conveying the condominium to him, and the membership shall be appurtenant to the condominium conveyed.

(a) The Association shall adopt Bylaws for the administration of the property and the Association and other purposes not inconsistent with this Declaration and the Act. These Bylaws shall be adopted by the Board of Directors of the Association after their election at the Association organizational meeting, which meeting shall be held at such time as over fifty-one percent of the units in the project have been sold. The Bylaws may be amended or modified by the vote of seventy-five percent of the unit owners. Any proposed modifications or amendments to the Bylaws shall be proposed by Association members at a duly constituted annual or special meeting of the Association. A copy of the proposed amendment shall be included in the notice of any meeting at which action on the amendment is to be taken.

Section 2. GENERAL POWERS OF THE ASSOCIATION

The Association shall have all of the powers set forth in this Declaration and Bylaws and may generally do any and all things that such an association may lawfully do in operating for the benefit of its members, subject only to the limitations upon the exercise of such powers as are expressly set forth in the Bylaws and in this Declaration, and to do any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the express

powers of the Association or for the peace, health, comfort, safety and general welfare of the unit owners and their guests.

Section 3.

SPECIAL POWERS OF BOARD OF DIRECTORS

Without in any way limiting the generality of the foregoing, in the event that the Board of Directors determines that an improvement is in need of repair, restoration or painting, or that landscaping is in need of installation, repair or restoration, or that an improvement is in existence without proper approval of the Board, or that there is a violation of any provision of this Declaration, then the Board of Directors shall give written notice to the unit owner of the condition or violation complained of, and unless the Board has approved in writing corrective plans proposed by the unit owner to remedy the condition complained of within such period of time as may be determined reasonable by the Board of Directors after it has given written notice, and such corrective work so approved is completed thereafter within the time allotted by the Board of Directors, the Board of Directors shall undertake to remedy such condition or violation complained of, and the cost thereof shall be charged to the unit owner and his condominium whose residence is the subject matter of the corrective work, and such cost shall be deemed to be a special assessment to such unit owner, and his condominium, and subject to levy, enforcement and collection by the Board of Directors in accordance with the assessment lien procedure provided for in this Declaration.

Section 4.

RIGHTS OF ENTRY

The Association shall have a limited right of entry in and upon all limited common areas and the exterior of all units for the purpose of taking whatever corrective action may be deemed necessary or proper by the Association. Nothing in this Article shall in any manner limit the right of the unit owner to exclusive control over the interior of his unit; provided, however, that an owner shall grant a right of entry to the Association, or any other person authorized by the Association, in case of any emergency originating in or threatening his unit, whether the owner is present or not; and provided further, that an owner shall permit other owners, or their representatives, to enter his unit for the purpose of performing required installation, alterations or repair of the mechanical or electrical services to a residence, provided that requests for entry are made in advance and that such entry is at a time convenient to the owner whose unit is to be entered. In case of an emergency, such right of entry shall be immediate.

Section 5.

MISCELLANEOUS DUTIES AND POWERS

The Association shall have the right to install or construct capital improvements in and on any of the common areas. The Association may, at any time and from time to time, reconstruct, replace or refinish any improvement or portion thereof upon the common areas in accordance with the original design, finish or standard of construction of such improvement; construct, reconstruct, replace or refinish any surface upon any portion of common areas designated as a parking area; replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of

the common areas; and place and maintain upon the common areas such signs as the Association may deem necessary for their identification, for regulation of traffic, including parking, the regulation and use of the common areas and for the health, welfare and safety of unit owners and their guests. The Association may delegate all of the powers contained in this Declaration to any management organization or individual, and the Association may employ personnel necessary for the effective operation and maintenance of the building and common areas of any type described herein, including the employment of legal and accounting services.

Section 6. PRIORITIES AND INCONSISTENCIES

If there are conflicts or inconsistencies between this Declaration and the Bylaws, the terms and provisions of this Declaration shall prevail.

Section 7. MANAGING AGENT

The Association may enter into a written contract with a professional, corporate or individual manager to conduct and perform the business, obligations and duties of the Association. This contract shall conform to the guidelines established by the Federal Home Loan Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Alaska Housing Finance Corporation (AHFC) and Veterans Administration (VA) regarding the term and termination of that agreement during such periods of time as FHLMC, FNMA, AHFC or VA is a mortgagee on a unit in the project or is the owner of such a unit.

Section 8. SHARES AND VOTING

At any meeting of the Association, each condominium owner, including Declarant as to those condominiums not sold, shall be entitled to vote the percentage set forth in Exhibit "C". Where there is more than one record owner of a condominium, any or all of such persons may attend any meeting of the Association, but it shall be necessary for those owners present to act unanimously in order to cast the vote to which the condominium is entitled. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein shall be deemed to be binding on all owners of condominiums, their successors and assigns.

X Section 9. RECORDS OF RECEIPTS AND EXPENDITURES

PRIORITY

Where the mortgagee of a mortgage of record which is recorded prior to the date on which the assessment lien became effective, or other purchaser of a condominium, obtains title to the same as a result of foreclosure of any such mortgage, or another purchaser of a condominium obtains title to the same as a result of a deed taken in lieu of foreclosure, the acquirer of title, his successors and assigns, shall not be liable for the share of the common expenses or assessments by the Association chargeable to such condominium which became due prior to the acquisition of title to such condominium by such acquirer, but shall be subject to any future assessments which become due subsequent to his acquisition of title. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from all of the unit owners, including such acquirer, his successors and assigns.

Section 2.

DEFAULT

A breach of any of the provisions, covenants, restrictions or limitations hereof, the recordation of any lien hereunder, or the pursuit of any remedy hereunder shall not defeat or render invalid the lien of any mortgage made by that unit owner in good faith and for value upon the interest of a unit owner. All of the provisions herein shall be binding upon and effective against any owner whose title to said property is hereafter acquired through foreclosure or trustee's sale. The holder of a first mortgage or record is also, upon request, entitled to written notification from the Association of any default in the performance by the individual unit owner of any obligation under the Declaration, Association Bylaws or other Association documents, which default is not cured within sixty days.

Section 3.

RIGHT TO INSPECT ASSOCIATION RECORDS; NOTICE

The holder of a first mortgage or record, its successors and assigns, shall have the right to inspect the Association's books of account and other financial records and to require the Association to provide to it such additional financial data as may be reasonably necessary to protect its interests, including annual audited financial statements, within ninety days following the end of the fiscal or calendar year of the Association. Written notice of all Association meetings shall be sent to first mortgagees of record, who may designate an agent to attend such meetings.

Notwithstanding anything in this Declaration or the Bylaws of the Association to the contrary, prior written approval of one hundred percent of the holders of the first mortgages or deeds of trust covering all or any portion of the project shall be a condition precedent to the effectiveness of any of the following actions:

(a) Removal of all or any portion of the property or project from the provisions of the Horizontal Property Regimes Act pursuant to Alaska Statute 34.07.330, as said statute may be amended from time to time.

(b) Pursuant to A.S. 34.07.020(1) the partition or subdivision of any unit, common areas and facilities, and limited common areas and facilities.

(c) A change in the pro rata interest or obligation of any unit for purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds of condemnation awards.

(d) A change in the percentage interests of the unit owners in the common areas and facilities.

(e) The abandonment of the condominium status of the project, except for abandonment provided under the provisions of the Horizontal Property Regimes Act in case of substantial loss to the units and common areas and facilities.

(f) Any abandonment, partition, subdivision, encumbrance, sale or transfer of all or any portion of the common areas.

(g) The use of hazard insurance proceeds for losses to any condominium property, whether to a unit or to the common areas and facilities for other than the repair, replacement or reconstruction of such condominium property.

ARTICLE IX

INSURANCE

Section 1.

TYPES

The Association shall obtain and continue in effect adequate blanket public liability insurance for the common areas and facilities and fire insurance with extended coverage for the full replacement value of the project. Such insurance shall be maintained by the Association for the benefit of the Association, the unit owners, and the encumbrancers upon the property, or any part thereof, as their interests may appear, with underlying coverage on the individual units. The Association may purchase such other insurance as it may deem necessary, including, but not limited to, plate glass insurance, fidelity bonds and worker's compensation. Each owner shall provide insurance on his personal property. Nothing herein shall preclude any individual owner from carrying any public liability insurance as he may deem advisable to cover his individual liability for damages to person or property occurring inside his individual unit or elsewhere upon the premises.

Notwithstanding any provision to the contrary herein, the Association shall be required to carry at all times a master condominium policy of casualty insurance, and a fidelity bond, with such coverage and endorsements in form and amounts, including full replacement cost coverage with an agreed amount endorsement as required by the Federal Home Loan Mortgage Corporation, Federal National Mortgage Association, Alaska Housing Finance Corporation or Veterans Administration (FHLMC, FNMA, AHFC or VA), during such periods of time a FHLMC, FNMA, AHFC or VA is a mortgagee on a unit in the project or the owner of such a unit.

Section 2. PREMIUMS AND PROCEEDS

Insurance premiums for any such blanket insurance coverage obtained by the Association, and any other insurance deemed necessary by the Association, may become a common expense, at the discretion of the Board of Directors, to be included in the regular assessments levied by the Association for the repair or replacement of the property for which the insurance was carried or otherwise disposed of as provided in Article V of this Declaration. The Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any two Directors of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signature shall be binding on all the unit owners.

ARTICLE X

DURATION AND AMENDMENT

Section 1. DURATION

This Declaration shall be perpetual and continue in full force until terminated by law or as otherwise provided herein.

Section 2. AMENDMENT

Except as otherwise provided herein, notice of the subject matter of a proposed amendment to this Declaration in reasonably detailed form shall be included in the notice of any meeting of the Association at which a proposed amendment is to be considered. A resolution adopting a proposed amendment may be proposed by a condominium owner at a meeting of members of the Association. The resolution shall be adopted by approval of condominium owners holding in the aggregate not less than seventy-five percent of the votes. A copy of each amendment shall be certified by an officer of the Association, and the amendment shall be effective when recorded in the public records, Fairbanks Recording District, State of Alaska; provided, however, that any of the following amendments to be effective must be approved in writing by the record holders of all encumbrances on any condominiums at the time of such amendment:

(a) Any amendment which affects or purports to affect the validity or priority of encumbrances or the rights or protection granted to holders of encumbrances as provided herein.

(b) Any amendment which would necessitate an encumbrancer, after it has acquired a condominium through foreclosure, to pay more than its proportionate share of any unpaid assessment or assessments accruing prior to such foreclosure.

(c) Any amendment which would or could result in an encumbrance being cancelled by forfeiture, or in the individual condominiums not being separately assessed for tax purposes.

(d) Any amendment relating to the insurance provisions as set out in Article IX hereof, to the application of insurance proceeds as set out in Article V hereof, or to the disposition of any money received in any taking under condemnation proceedings.

Section 3. AMENDMENT BY DECLARANT

Notwithstanding the foregoing, until the close of any escrow for the sale of a condominium in the project, Declarant shall have the right to terminate or modify this Declaration by recordation of a supplement hereto setting forth such termination or modification. For purposes of this Declaration, the close of escrow shall be deemed to be the date upon which a deed conveying a condominium is recorded.

ARTICLE XI

CONDEMNATION

Section 1. CONSEQUENCES OF CONDEMNATION

If, at any time or times during the continuance of the condominium ownership, pursuant to this Declaration, all or any part of the project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in advance thereof, the provisions of this Article shall apply.

Section 2. PROCEEDS

All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "condemnation award," shall be payable to the Association, in trust, for the purposes set forth herein.

Section 3. COMPLETE TAKING

In the event that the entire project is taken or condemned, sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership pursuant thereto shall terminate. The condemnation award shall be apportioned among the unit owners in proportion to the respective undivided interests in the common areas, provided that if a standard different from the value of the project as a whole is employed to measure the condemnation award in the negotiation, judicial decree or otherwise, then in determining such shares, the same standard shall be employed to the extent it is relevant and applicable.

On the basis of the principle set forth in the last preceding paragraph, the Association shall, as soon as

practicable, determine the share of the condemnation award to which each owner is entitled and make payment accordingly.

Section 4. PARTIAL TAKING

In the event that less than the entire project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the condominium ownership hereunder shall not terminate. Each owner shall be entitled to a share of the condemnation award to be determined in the following manner:

(a) as soon as practicable, the Association shall reasonably and in good faith, allocate the condemnation award between compensation damages and other damages, and shall apportion the amounts so allocated to taking of or injury to the common elements among the owners in proportion to their respective undivided interests in the common areas and facilities;

(b) the total amount allocated to severance damages shall be apportioned to those condominium units which were not taken or condemned;

(c) the respective amounts allocated to the taking of or injury to a particular unit or improvements an owner had made within his own unit shall be apportioned to the particular unit involved; and

(d) the amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If an allocation of the condemnation award is already established in negotiation, judicial decree or otherwise, then in allocating the condemnation award the Association shall employ such allocation to the extent it is relevant and applicable. Distribution of apportioned proceeds shall be made by check payable jointly to the respective owners and their respective mortgagees.

Section 5. REORGANIZATION

In the event a partial taking results in the taking of a complete unit, the owner thereof automatically shall cease to be a member of the Association. Thereafter, the Association shall reallocate the ownership, voting rights and assessment ratios determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception and shall submit such reallocation to the owners of remaining units for amendment of this Declaration as provided in Article X hereof.

Section 6. NOTICE TO MORTGAGEE

The institutional holder of a first mortgage on any unit shall be given written notice of any condemnation proceeding described herein, and nothing herein shall entitle a unit owner, or any other party, to priority over the holder of a first mortgage with respect to the distribution of the proceeds of any award or settlement.

ARTICLE XII

MISCELLANEOUSSection 1. LEGAL PROCEEDINGS

Failure to comply with any of the terms of the condominium documents and regulations adopted pursuant thereto shall be grounds for relief which may include, without limitation, an action to recover sums due for damages, injunctive relief, foreclosure of lien, or any combination thereof, which relief may be sought by the Association or, if appropriate, by an aggrieved unit owner. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of the project, and any violation of this Declaration shall be deemed to be a nuisance. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision, or any other provision hereof. Any unit owner not at the time in default hereunder, or Declarant, shall be entitled to bring an action for damages against any defaulting unit owner, and, in addition, may enjoin any violation of this Declaration. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorney's fees in such amount as the court may deem reasonable, in favor of the prevailing party. Each remedy provided for in this Declaration shall be cumulative and not exclusive or exhaustive.

Section 2. SEVERABILITY

The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion hereof shall not affect the validity or enforceability of any other provisions hereof.

Section 3. CONSTRUCTION BY DECLARANT

Nothing in this Declaration shall limit the right of Declarant to complete construction of improvements to the common areas and to units owned by Declarant, or to construct such additional improvements as Declarant deems advisable prior to completion and sale of the entire project. Such right shall include, but shall not be limited to, erecting, constructing and maintaining on the project such structures and displays as may be reasonably necessary for the conduct of its business of completing the work. This Declaration shall not limit the right of Declarant, at any time prior to acquisition of title by a purchaser from Declarant, to establish on the project additional easements, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the project. Prospective purchasers and Declarant shall have the right to use all common areas and limited common areas for access to the sales facilities of Declarant. The rights of Declarant hereunder may be assigned by Declarant to any successor to all or part of Declarant's interest in the project by an express assignment incorporated in a recorded deed transferring such interest to such successor.

Section 4.

EASEMENTS

Declarant expressly reserves, for the benefit of unit owners, reciprocal easements of access, ingress and egress over all of the common areas, and those easements for fuel tanks and piping described in Article II, Section 14 above. Such easements may be used by Declarant's successors, purchasers and all unit owners, their guests, tenants and invitees, residing or temporarily visiting the project, for pedestrian walkways, vehicular access, and such other purposes reasonably necessary to the use and enjoyment of a unit. Such easements shall be appurtenant to, and shall pass with, the title to every unit conveyed. The Declarant expressly reserves, for the benefit of each unit owner, an exclusive easement for use of those areas depicted on the condominium plan as limited common areas, as assigned to each unit owner for his numbered unit. All building walls shall be considered to adjoin and abut the wall of the contiguous residence against the surface from the bottom of the foundation of the building. Such right of use shall be exercised so as not to interfere with the use and enjoyment of the owners of adjoining residences, and in the event that any such contiguous wall is damaged or injured from any cause other than the negligence of one of the owners, the same shall be repaired or rebuilt at their joint expense. In the event any portion of the common areas or facilities encroaches upon any unit, or any unit encroaches upon the common areas or facilities as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the project, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

Section 5.

VALUATION OF UNIT AND PROPERTY
AND VOTING RIGHTS

Each unit described herein is valued as set forth in Exhibit "C" the total value of such units being the value of property comprising the project. The owner of each unit shall have an undivided interest in the common areas and facilities appertaining to each unit for all purposes, including voting as set forth in Exhibit "C."

ARTICLE XIII

Section 1.

AMENDMENTS TO ESTABLISH SUBSEQUENT
PHASE

Notwithstanding any language to the contrary contained in this Declaration, Declarant shall have the right at its sole option, at anytime to but not later than December 31, 1986, to amend this Declaration and the Horizontal Property Regime created thereby by adding units and

common areas located on the tract of land (or any portion thereof) described as follows:

Phase II

Lot 6, NORTHEAST BENCH OF THE UNIVERSITY
WEST SUBDIVISION according to Plat
recorded on _____ as Instrument
No. _____

Phase III

Lot 5, NORTHEAST BENCH OF THE UNIVERSITY
WEST SUBDIVISION according to Plat
recorded on _____ as Instrument
No. _____

Should such other phase be established it shall be expressly subject to this Declaration as well as the By-Laws of the Owners Association provided for herein as from time to time amended.

Declarant expects to establish the subsequent phase, but is not required to do so. If the land described as Phase II and Phase III is not used to establish further phase of this project, then it may be used for any other lawful purpose at anytime at the discretion of the Declarant, its successors or assigns (including without limitation, the submission of such property to the Horizontal Property Regime Act as a separate project from the one herein) and nothing contained herein shall be deemed to place any restriction on such Phase II and Phase III property unless and until it is submitted to the Horizontal Regime Act by amendment or addendum hereto.

Access over and across the property described as Phase I and any other phase subsequently established is reserved to the Declarant or the Declarant's successors or assigns over the easements, roadways, and utility lines specified or in anyway established in and for such phases and the right to connect to each and both of them is also reserved. Such reservations are for the purpose either of completing and establishing subsequent phases or of otherwise developing portions of the land not utilized in condominium phase or for the development of contiguous or other lands belonging to Declarant, its successors, or assigns for other purposes.

If the land described for Phase II and Phase III is used to establish a condominium phase, then all the land described for Phases I, II, and III and any other phase subsequently established shall constitute the "project" and shall be administered together as one fully-operational condominium.

In altering the "project" to create the additional units and common areas, the Declarant may, without the joinder or consent of any persons having an interest in the existing units, amend this Declaration to (i) create the additional apartment units and common areas, (ii) decrease the common interest appurtenant to each apartment unit existing prior to the amendment so that after the amendment each apartment unit shall have appurtenant to it an interest in the common elements as calculated according to the

formula set forth in Section 2 below, (iii) add, withdraw, realign and grant utility easements over, under, across and upon the common areas and limited common areas including but not limited to easements, and/or rights of way for electric, gas, or telephone services, water, sewer, and storm pipelines, refuse disposal, driveways, parking areas and roadways provided that such easements or rights of way to not materially impair the use of any existing unit or its appurtenant interest in the common areas, and (iv) rearrange or provide for or add additional parking spaces on the common areas which may be additional limited common elements appurtenant to apartment units. The alterations shall not require the alteration or demolition of any existing unit. The existing buildings or improvements on the common areas shall not be demolished or diminished.

Such amended declarations may contain such complimentary additions and modifications of the covenants and restrictions contained in this declaration as may be necessary to reflect the different character, if any, of the added properties and as are not inconsistent with the scheme of this Declaration. Future buildings and improvements as well as common areas and limited common areas shall be comparable style, quality, size and cost to those established in Phase I. Phase II will not exceed ten units. Four of the ten units shall not exceed a value of \$84,000.00 per unit, and the remaining six units shall not exceed a value of \$74,000.00 per unit and \$780,000.00 for the total project encompassed in Phase II for voting and common area purposes. Phase III will not exceed sixteen units. Thirteen of the sixteen units shall not exceed a value of \$74,000.00 per unit, and the remaining three units shall not exceed a value of \$84,000.00 per unit and \$1,214,000.00 for the total project encompassed in Phase III for voting and common area purposes. If all the units are completed, the minimum undivided interest for the smaller units will be 2.70665 percent and the larger units will be 3.07245 percent. The maximum undivided interest is set forth on Exhibit "C".

The amendments and additions authorized under this Article shall be made effective by filing of record the amendment to this Declaration with respect to the project as expanded which shall extend the Horizontal Property Regime to the additional property and owners thereof. Such additional property shall be subject to the By-Laws at the time of such filing and as from time to time amended. Any institutional lender, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, Alaska Housing Finance Corporation or the Veteran's Administration, shall be entitled to review and approve all documents relating to the establishment of Phases II and III to assure those institutions that each such phase is completed and properly constituted.

Until such time as all construction and all phases are complete and all units sold, Declarant shall have the right to use any common areas and facilities for the purpose of showing and sales and to display signs and advertising as deemed required by Declarant, notwithstanding the provisions of Article II.

Section 2.

FORMULA TO BE USED IN ESTABLISHING
AND AMENDING PERCENTAGES OF UNDIVIDED
INTEREST AND VOTE IN THE EVENT
SUBSEQUENT PHASES ARE ESTABLISHED

In the event phases other than Phase I become part of this condominium the percentage of undivided interest and vote for all units shall be determined by the following formula: The Declarant shall determine the unit value for all units within the subsequent phase (units shall be substantially the same in all phases and shall be valued substantially the same in relationship to each) by using existing valuations for units in prior phases as the standards to which shall be added the total value of all units previously within the condominium as set forth in the Declaration at the time of amendment. (The total value of all units within the condominium shall be divided into each unit value and the quotient times 100 shall equal the percentage of undivided interest and vote for such unit.) The value established for units within subsequent phases shall be scheduled to establish the percentages required by Chapter 34.07 A.S., and shall not reflect necessarily the amount for which a unit will be sold from time to time by Declarant or others.

Section 3.

SPECIAL POWER OF ATTORNEY

All unit owners shall be required, as a condition precedent to purchasing one or more units in the "project" to execute a special power of attorney in form identical to Exhibit "D" attached hereto.

This Declaration has been executed on the day and year first hereinabove written.
